Welcome!

The Annual Las Vegas Seminars will be held at the exciting Caesars Palace Hotel and Casino in Las Vegas.

The usual attendance at our conference, now in its 47th year, is over 500 clinicians representing Pediatricians, Family Practice Physicians and Allied Health Professionals from all parts of the United States and some foreign countries. Come join us at this in-person event. Interact with friends, colleagues, and faculty with continuing medical education and up to 16 CME and MOC Part 2.

General Information

The overall learning need identified by our physicians' education committee was for practical, evidence-based, **up-to-date** medicine that can be applied in the clinical setting. Needs in a wide variety of subject areas were identified. This program will address the areas of: **Developmental-Behavioral Pediatrics, Endocrine/Nutrition, Infectious Diseases, Nephrology, Pediatric and Adolescent Gynecology, Pediatric Dermatology.**

This is an opportunity to once again reconnect, learn together, share ideas, visit with old friends, make new friends, and return home refreshed with new knowledge and relaxed from three to four beautiful days in exciting Las Vegas.

Target Audience

This seminar is directed toward urban and rural, general and sub-specialty pediatricians, family practice physicians, as well as nurses, nurse practitioners and other allied health professionals caring for children.

Other Information

Breakfast and coffee service will be served each morning in the Exhibit Ballroom, for **registered attendees only**. Coffee service is maintained through the midway break each day.

There are luncheon seminars on Friday and Saturday. The six Friday seminars are repeated on Saturday to allow the registrants to attend two different seminars. There is an extra charge of \$100 for each luncheon seminar. Seating is limited. Once maximum seating has been reached, registration for that luncheon seminar will close. **Lunch Seminars are sold in advance, pre-conference only. Lunch Seminars will not be available for purchase onsite.**
